

ISSUES DURING REGISTRATION FOR ONLINE EXAMS OF HSBTE FOR TERMINAL SEMESTER / FINAL YEAR

(13.9.2020)

A. Students are facing following issues during online registration;

1. Wrong mobile number entered by student
2. Wrong email ID entered by student
3. Password / Mobile Verification Code not received through SMS in mobile of the student
4. Verification link sent to the student through email is not activated or working
5. Wrong R.No. entered by student

For the above issues, students are advised to send email at hsbte2020@gmail.com in which they must mention their R.No.

B. Many students reported that the registration was completed without capturing their photos and gives message "Already Registered" when students try to register again for uploading their photo

Students are hereby informed that such cases will be resolved later and they will get message upto Tuesday or later through email / mobile

C. Registered Students shall receive Username and Password after verification of their Photo / Data by their concerned Institute. Only after that students shall be able to login and see the details of Subjects & Schedule of Exam.
