

Subject: - Video Lectures for subjects of Diploma Courses for 5th, 3rd Semesters and 1st year being relayed through UTKARSH Channel on DTH through City Cable operator's Network and Reliance Jio TV.

In this regard, it is intimated that as curated and provided by the panel of Subject-Experts and mapped with the curriculum 401 Number of Video Lectures of Polytechnics staff / NCTEL / NPTEL / NMEICT / SWAYAM etc. have been provided to UTKARSH Society for broadcasting w.e.f. 05th October, 2020 for helping out the students in learning through EDUSAT Channel on DTH through City Cable operator's Network and Reliance Jio TV Mobile App. These Video Lectures for the subjects of 1st, 3rd and 5th Semester of Diploma Courses are being relayed w.e.f. 05.10.2020 through HSBTE Utkarsh Channel on DTH through City Cable operator's Network and Reliance Jio TV and the schedule of the same is continually updated on the website of the Board.

Therefore, you are requested for the widespread awareness amongst the students about this and also send the feedback as received from the students/teachers.

Further, for enriching the availability of E-Learning contents and integrating digital learning in the teaching methodology, It was decided that providing of E-Learning contents in the central repository shall be an ongoing process throughout the semester. But only a few Institutes have sent the video Lectures during the past one month. Accordingly, it is requested to send the video lectures recorded/delivered by our faculty and finalised by the concerned subject experts at the earliest so that the same may be provided/accessed by all the students through HSBTE Youtube Channel as well as HSBTE Utkarsh Channel.
